

Registered Real Estate Appraiser Trainee

In no definite order, find a certified real estate appraiser willing to supervise your work experience and complete the core curriculum courses.

Core curriculum courses:

- Basic appraisal principles—30 hours; and
- Basic appraisal procedures—30 hours; and
- The National Uniform Standards of Professional Appraisal Practice course or equivalent—15 hours; and
- Supervisory Appraiser/Trainee Appraiser Course—4 hours

Total 79 hours

Submit trainee application, required core curriculum course completion certificates, and fee. A Supervisory Registration Application must be received with or at the time the trainee's application is received. Once both applications have been approved, the trainee will be registered and can then begin experience training.
