**Providing any false information in this application may be cause for denial, suspension, or revocation of your professional license in the State of Washington.**

If you wish to pre-sell opening/closing, setting fees, liners, vaults, burial receptacles, markers, completion dates or markers, vases, cremation services, urns, undeveloped niches, crypts, lots, or any other undelivered cemetery goods or services you must complete this application and be granted a license before making such sales in the state of Washington.

All questions are to be answered as fully as possible. If additional space is needed, you may add additional pages.

- **Date firm was incorporated:** List the incorporation date – not the cemetery founding date.
- **Types of prearrangements to be sold:** Mark the appropriate boxes of all items that the applicant expects to pre-sell. Value or amount of the bond is to be the maximum unfunded liability in prearrangement sales estimated for one year. Example: If \$10,000 in sales are made during a year, what will be the maximum dollar amount subject to trust within the receivables and cash in transit at any given time?

- **Additional comments or information that may be useful to the board in determining the qualifications of the applicant:** Items such as a background in cemeteries, sales, accounting, etc. would be most helpful.
