**Agency:** Department of Licensing

**Title of rule and other identifying information:** (describe subject) WAC 308-104-150 Address requests—Terms and fees.

**Purpose of the proposal and its anticipated effects, including any changes in existing rules:** The department is proposing the repeal of WAC 308-104-150. The rule is redundant as records requests go through our public disclosure department, codified in Chapter 308-10 WAC Public Records Disclosure.

**Reasons supporting proposal:** Where not otherwise prohibited by law or rule, the department makes available the address of a person whose driving record or identicaid record is maintained by the department. A request for an address must be in writing and must include the full name and the driver's license number or date of birth of the person whose address is requested.

**Change:** The department shall no longer collect a fee of two dollars for each address requested, unless otherwise prohibited by law. These requests are handled through public disclosure or our data privacy group. The repeal of the rule should not impact customers' ability to obtain record.

**Expedited Adoption - Which of the following criteria was used by the agency to file this notice:**

- Relates only to internal governmental operations that are not subject to violation by a person;
- Adopts or incorporates by reference without material change federal statutes or regulations, Washington state statutes, rules of other Washington state agencies, shoreline master programs other than those programs governing shorelines of statewide significance, or, as referenced by Washington state law, national consensus codes that generally establish industry standards, if the material adopted or incorporated regulates the same subject matter and conduct as the adopting or incorporating rule;
- Corrects typographical errors, make address or name changes, or clarify language of a rule without changing its effect;
- Content is explicitly and specifically dictated by statute;
- Have been the subject of negotiated rule making, pilot rule making, or some other process that involved substantial participation by interested parties before the development of the proposed rule; or
- Is being amended after a review under RCW 34.05.328.

**Expedited Repeal - Which of the following criteria was used by the agency to file notice:**

- The statute on which the rule is based has been repealed and has not been replaced by another statute providing statutory authority for the rule;
- The statute on which the rule is based has been declared unconstitutional by a court with jurisdiction, there is a final judgment, and no statute has been enacted to replace the unconstitutional statute;
- The rule is no longer necessary because of changed circumstances; or
- Other rules of the agency or of another agency govern the same activity as the rule, making the rule redundant.

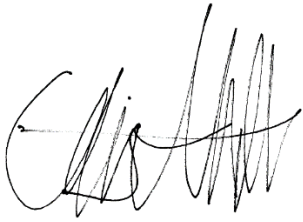

**Explanation of the reason the agency believes the expedited rule-making process is appropriate pursuant to RCW 34.05.353(4):** This rulemaking pertains to internal government operations. This rulemaking should not cause any individual to incur fees, nor should it impact a benefit or a right of a person in Washington State. This rule repeal makes clear that there are not two different service channels for these types of requests. All public records requests should go through the public disclosure process.

**NOTICE**

**THIS RULE IS BEING PROPOSED UNDER AN EXPEDITED RULE-MAKING PROCESS THAT WILL ELIMINATE THE NEED FOR THE AGENCY TO HOLD PUBLIC HEARINGS, PREPARE A SMALL BUSINESS ECONOMIC IMPACT STATEMENT, OR PROVIDE RESPONSES TO THE CRITERIA FOR A SIGNIFICANT LEGISLATIVE RULE. IF YOU OBJECT TO THIS USE OF THE EXPEDITED RULE-MAKING PROCESS, YOU MUST EXPRESS YOUR OBJECTIONS IN WRITING AND THEY MUST BE SENT TO**
