Agency: Department of Licensing

Title of rule and other identifying information: (describe subject) WAC 308-56A-460 Destroyed or wrecked vehicle-Reporting-Rebuilt and WAC 308-94A-035 Delivery of off-road vehicle on dealer temporary permit

Purpose of the proposal and its anticipated effects, including any changes in existing rules: Update WAC 308-56A-460 to update the current market value threshold amount to \$11,780; update WAC 308-94A-035 to replace temporary permit references to temporary license plate per HB 1790.

Reasons supporting proposal: RCW 46.12.600 requires the department to determine the market value threshold each year according to information provided in the United States Department of Labor Consumer Price Index Report. An increase in the threshold that exceeds fifty dollars requires the department to document the new amount by updating the rule, which will become effective July 1, 2023. In addition, the department is amending the current rule related to temporary permit language changes per HB 1790. These changes simply replace references to temporary permits with references to temporary plates.

Statutory authority for adoption: RCW 46.01.110 and RCW 46.12.600

Statute being implemented: RCW 46.01.110 and RCW 46.12.600
