Subject of possible rule making: Amendments to Chapter 308-108 WAC Driver Training Schools.

Statutes authorizing the agency to adopt rules on this subject: RCW 46.82.290 Administration of chapter – Adoption of rules.

Reasons why rules on this subject may be needed and what they might accomplish: Rulemaking will update curriculum, course, and instructor requirements to reflect updates to the national driver education standards and required curriculum document. This also allows for removal/updating of outdated verbiage.

Identify other federal and state agencies that regulate this subject and the process coordinating the rule with these agencies: The Office of the Superintendent of Public Instruction and the Washington Traffic Safety Commission both share a vested interest in traffic safety education and public safety on Washington roadways. Therefore, the Department will invite these entities to participate in the rulemaking process. Although their participation is not required, it is welcomed.

Process for developing new rule (check all that apply):

- Negotiated rule making
