

Create Your User Access to the Professional and Business Licensing System

Creating your user access to the Professional and Business Licensing system is a 4-step process:

1. [Create a SecureAccess Washington \(SAW\) account](#) if you don't already have one
2. [Add the Professional and Business Licensing service](#) to your SAW account
3. [Enroll in multi-factor authentication \(MFA\)](#)
4. After you've accessed the Professional and Business Licensing system, you'll need to [complete the user access setup](#) by linking any existing licenses.

Create a SecureAccess Washington (SAW) Account

Before you start

You already have a SAW account if you:

- Have a License eXpress account for your driver, vehicle, or business licenses
- Have done business online with:
 - Department of Revenue
 - Department of Labor and Industries
 - Employment Security Department

If you like, you may use the same SAW account for your access to the Professional and Business Licensing system. If so, go to [Add the Professional and Business Licensing Service](#).

1. Go to [SecureAccess Washington Login Page](#)
2. Click the Sign Up button.

Enroll in Multi-factor Authentication (MFA)

1. **Select** the method you want to use to enroll in MFA.
 - The options are based on the information you provided on the page where you set up your username and password.

The screenshot shows the Washington State SecureAccess MFA enrollment page. At the top, there is a green banner with the Seal of the State of Washington on the left and the text "SAFETY FIRST! This service requires MFA." on the right. Below the banner is a grey bar with the "SecureAccess Washington" logo on the left and "Help" and "Spanish" buttons on the right. The main content area has a progress bar with four steps: 1. Choose Method (highlighted), 2. Enter Code, 3. Remember Device, and 4. Access Service. Below the progress bar, the heading "Multi-Factor Authentication (MFA)" is displayed, followed by a note: "This service requires additional verification beyond username and password to prevent fraud and identity theft. You will need to enter a verification code." The "Choose Method" section asks "How would you like to receive your verification code?" and presents two options. The first option, "Email", is highlighted with a red border and shows an email icon, the email address "***who@mailinator.com", and the instruction "Receive the code in an email and enter it on the next screen." The second option, "Text Message", shows a mobile phone icon, the phone number "(***) ***-5555", and the instruction "Receive the code in a text message and enter it on the next screen."

2. You'll receive an email or text (depending on your selection) with a code.
 - You only need the last 6 digits of the code (after the hyphen).

3. **Enter** the 6 digits in the space provided and **click** the Submit button.

It contains instructions: "Choose to remember this device to reduce how often you are required to enter a verification code." and "If the device you are using is shared or public, we recommend you do not remember this device." There is a checkbox labeled "Yes, remember my device" which is checked. Below this is a text input field for "Name:" with a placeholder "(Numbers and letters only)". A red box highlights the "Submit" button at the bottom.

6. Click the Continue button to access the Professional and Business Licensing system.

The screenshot shows the "NOW ACCESSING" screen for the Washington State Department of Licensing. At the top, there is a green header with the Seal of the State of Washington. Below the header, the text "NOW ACCESSING" is displayed in large, bold letters. Underneath, the Washington State Department of Licensing logo is shown, followed by the text "WASHINGTON STATE DEPARTMENT OF LICENSING". A message states: "You are now accessing Professional and Business Licensing provided by Department of Licensing. If you require assistance, the Professional and Business Licensing help desk can be reached at DOLELicensingSupport@DOL.WA.GOV or 360-664-9696." At the bottom, there are two buttons: "CANCEL" and "CONTINUE". A red box highlights the "CONTINUE" button, which has a mouse cursor hovering over it.

Complete user access setup

1. You've reached the Home page of the Professional and Business Licensing system. **Click** the Get Started button.

2. The existing professional license question displays.

3. **Determine** next step:
 - **You have an existing professional license or application:** Answer Yes to this question and click Continue. Go to [Link Your Professional License or Exam Application](#).
 - **You don't have an existing professional license or application, but you do have an existing BUSINESS license or application:** Answer No to the professional license question, click Continue, then answer Yes to the business license question and click Continue. Go to [Link Your Business License](#).

- **You don't have any existing licenses or applications:** Answer No and click Continue on both questions. Click the OK button on the pop-up. The Home page will be displayed.
 - From this page, you can apply for professional licenses or create a business account so you can apply for business licenses.

Link Your Business License

Before you start

- If you used an Activation Code to link your professional licenses, that code **won't** work for this process. You'll need to request a separate Activation Code for your business licenses.
- The first person to link a business account is the Account Administrator. If someone has already linked the Business Account, you'll get an error message if you try to link the same account. You can be invited by the existing Account Administrator to be an additional Administrator on the account.

Important! If you answered Yes to the business license question in the Get Started process, you'll start at step 2.

1. **Click** the Link Existing Business License button on the Home page.

The screenshot shows a section titled "Business Licenses" with a mouse cursor pointing at it. Below the title, it states "You must have a business profile before you can:" followed by a list of actions: "Apply for or renew a business license", "Update business license information", "Pay license fees for others", and "Add a training course". A blue button labeled "Create Business Account" is positioned below the list. Further down, the section "Have an existing business license?" is shown, with the text "To renew or manage you must link to your license." and a blue button labeled "Link Existing Business License" which is highlighted with a red rectangular box.

2. **Select** For Me for the "The license I want to link is?" question.

The screenshot shows a form titled "Link Existing Business License". Below the title, it asks "The license I want to link is:" and provides two radio button options: "For me" (which is selected and highlighted with a red box) and "For someone else".

3. Click the “request an activation code” button below the Activation Code field.
