March 18, 2024

Kelsey Stone (00:01):

Okay. I don't see anybody, but if anybody jumps on, just yell at me, and I'll admit them. Or, you know what? Let me give you the mouse, Brandon.

Brandon Bannister (00:08):

Sure.

Kelsey Stone (00:10):

And just admit people who pop up in the little [inaudible 00:00:13]. But I don't think we're going to get anybody, so we'll go ahead and get started. Good morning. This is a public hearing before the Washington State Department of Licensing being held to illicit public testimony, both oral and written, regarding the proposed rules amending WAC 308-96B-010 and WAC 308-96B-020. The proposed rules clarify that applicants for disabled parking privileges must reside in Washington State to qualify and define the term resident in WAC 308-96B-010 to further clarify those requirements.

(00:49):

Shaleen Miller, customer relations licensing services manager; Mike Seigler, customer relations licensing services manager; George Price, Driver and Vehicle Records administrator; Chante Vernie, Driver and Vehicle Records assistant administrator; and Sina Talalemotu. Did I say it right?

Sina Talalemotu (02:19):

Mm-hmm.

Kelsey Stone (02:19):

Okay. I always worry. The Driver and Vehicle Records licensing services manager. The procedure today will be as follows. The department is required to make a record of this hearing by stenographic, mechanical, or electronic means. Therefore, we are audio recording this hearing. For virtual attendees wishing to testify, please provide your name and contact information in the chat or unmute and tell me you would like to testify when I call on your screen name. For those in the room wishing to testify who have not already noted their desire to testify on the sign-in sheet, please wait for me to ask the room if there is anyone else willing to testify and notify me at that time. I will ask you to provide your contact information, which will be added to the sign-in sheet. The sign-in sheet will be used to call forward individuals for testimony and is later used to ensure appearing participants are notified of rule making results and the agency's response to comments.

(03:06):

You will be called to testify in order of which I collect your information. To assist in preparing a record of this public hearing, individuals testifying today should state their name, who they represent if they are testifying on behalf of others, and whether they support or oppose the proposed rules. The department has not received written comment on these proposed rules. For those wishing to provide written comment, please hand them to me or email them to [rulescoordinator@dol.wa.gov](mailto:rulescoordinator@dol.wa.gov) and we will include them in the formal record and our response to questions. Copies of these written comments will be added to the rule making file.

(03:38):

No we will hear oral statements from those present. It doesn't look like we have anybody joining. Are there any other comments on these rules? With that, I think we can say thank you for your comments. The department will prepare a concise explanatory statement which will, among other things, summarize all the oral and written comments received regarding the proposed rules and respond to them in category or subject matter. Copies of the concise explanatory statement will be forwarded to all those who have made oral or written comments. And with that, this hearing is adjourned. You want to pass me that mouse, Brandon? [inaudible 00:04:18].
